

# TOGETHER WE CAN INCREASE THE CIRCULATION OF GRACE & KINDNESS IN DC

Breadcoins are used for a dignified meal that provides grace and kindness. The physical token worth \$2.50 works like a community-wide gift certificate at participating locations. It supports local restaurants and feeds the community. This month, we have the opportunity to increase the circulation of Breadcoins in DC.

## OPTIONS

### OPTION 1

#### Recurring Purchase

Did you know that you can purchase Breadcoins each month to use yourself to destigmatize the use of the food token or to provide a meal to others? You pick them up each month from these locations - J&J Mex-Taqueria on Georgia Ave. in NW DC or Open Crumb on Good Hope Rd. in SE DC.

### OPTION 2

#### Recurring Donation

If you don't want to use them or distribute them, you can set up a recurring donation that provides our partners, who walk alongside those in need, with Breadcoins each month. Already a member? You can increase your recurring donation by emailing [admin@breadcoin.org](mailto:admin@breadcoin.org).
